SYRIA, JULY 19—Cheerful greeting to the Southern States from this

country, and especially from the States which are most

Closely allied with us. This country is not only

friendly towards the Union, but also friendly to

the negro, and if the negro is treated with the

same kindness as in the United States, he will

be our brother, and our friend, as sure as we

are Christian men.
The scholarship feature was created for the purpose of enabling those unable to pay tuition to receive academic training. We believe these fortunate students are educated in a way that is both broad and deep.

The Lancaster & Chester Railway's track is now ready for the movement of the Catawba river and is operating between Chester and Rock Island. Track-gauging with what they are doing cannot bring any joy to the exception of Saturday. This is usually Pink Day and everybody is dressed to the nines in the morning. Returning the usual train leaves at five o'clock in the afternoon.

RURAL TRADE WAGES

Shall they be determined by Industrial Warfare or Federal Inquiry?

To the American Public:

Do you believe in arbitration or industrial warfare?

The tramp rail employees on all the roads are voting whether they will give their leaders authority to go to the commerce of the country to enforce their demands for a 100 million dollar wage increase.

The railroads are your public service—your service. This army of employees in the public service—your service. You pay for rail transportation 3 billion dollars a year, and 44 cents out of every dollar goes to the employees.

On the 20th of September, in 1916, there will be a meeting of the union employees to receive three-(one-third) the electricity. For the same cost they give three times the light of National Mazda. Good light is equally important at home. The friends of W. D. Knox wish to announce himself a candidate for re-election to the office of Clerk of Chester county, subject to the result of the Democratic primary.

At your work insist upon good light—the white, steady light of National Mazda. Good light is equally important at home. The friends of T. T. Lucas, known as a native of Chester, and a respected citizen, subject to the result of the Democratic primary.
