Among the Hair Styles.-Continued.-"Bed of Most Suitable.-The hair is the most important feature of a woman's face. Its condition is often indicative of her health, and the general appearance of a woman is often governed by the condition of her hair. It is important to keep the hair clean and well-groomed.

The most suitable style of hair is one that is suitable for the individual's face shape and hair type. The style should be chosen to complement the individual's features and to enhance their beauty.

The French twist is a popular style for women, as it is both elegant and practical. It is a good choice for women with long hair, as it helps to define the face and can be used to create a variety of looks. The French twist is also a good choice for women with thin hair, as it can help to add volume and texture.

A MINISTER'S GOOD WORK.

His work is a noble and holy one, and he prays for the welfare of all men. It is important to pray for the welfare of others, as it helps to bring them closer to God and to strengthen their faith.

Pray for all those who are in need, and pray for those who are doing good work, as it helps to bring them closer to God and to strengthen their faith.
