There's Something Stirring On Wall Street

Feeling that there is some cash being spent for Groceries that should come to us, we have decided to sell two cars Buerks First Patent Flour at $2.25 a bushel, the lowest price yet. The New Second Patent Flour is very attractive with a back of this Flour guaranteed as represented or money refunded. We have splendid Bone Dry White Corn, White Clipped Oats, Sugar, Coffee, Meat, Lard, and almost everything you need. We will positively sell this stuff at wholesale prices, which is surely cheaper than any retail dealer can afford to sell. To do all this we must have the CASH. Don't ask us to charge it. We cannot.
