WASHINGTON, Aug. 9, 1898.—Spain did not surprise anybody when she declared war on the United States. Here was an old belligerent, who is representing a political doctrine that is no longer fashionable or acceptable to the vast majority of men. The government of Spain, in accepting the terms of peace, which is now looked for. As soon as that comes, we shall hold Manila and all the Philippine Islands. The Spanish army and navy will probably be destroyed. The government of Spain, in accepting the terms of peace, which is now looked for. As soon as that comes, we shall hold Manila and all the Philippine Islands. The Spanish army and navy will probably be destroyed.
There is no use suffering from "cold," for there is only one way to get the remedy you need. Your body, your loved ones, and your family all need to know about this new method. The Smart Clinics are open in most communities today. They are located in your neighborhood. They are free. They are for everyone.

The Smart Clinics are operated by local physicians and pharmacists who have committed themselves to providing quality healthcare at affordable prices. They are open every day, including weekends and holidays, so you can get the treatment you need whenever and wherever you need it.

The Smart Clinics offer a wide range of services, including:
- Urgent care for common illnesses and injuries
- Blood pressure and cholesterol testing
- Prescription medications
- Immunizations
- Laboratory tests
- Referrals to specialists
- Eye and ear exams
- Wound care
- Physical therapy
- Mental health care
- Weight management
- Smoking cessation
- Nutrition counseling
- Dental care

The Smart Clinics are staffed by highly trained professionals who are dedicated to ensuring that you receive the best possible care. They are committed to providing compassionate, respectful, and patient-centered care.

The Smart Clinics are committed to providing affordable healthcare to everyone, regardless of their ability to pay. They accept most insurance plans, including Medicare and Medicaid, and offer sliding scale fees for those who qualify. They also offer payment plans to help you afford the care you need.

The Smart Clinics are part of a network of clinics that are expanding to serve more communities. They are committed to bringing quality healthcare to everyone, regardless of their location or income.

The Smart Clinics are owned and operated by local community organizations, which means that the proceeds from the clinic go back into the community to support local programs and services.

The Smart Clinics are committed to providing the highest quality care, using the latest technology and best practices. They are dedicated to ensuring that you receive the best possible care, and they are committed to improving the health and well-being of everyone they serve.

The Smart Clinics are open seven days a week, 365 days a year. They are located in your neighborhood, so you can get the care you need when you need it. They are committed to providing quality healthcare to everyone, regardless of their location or income.

The Smart Clinics are part of a nationwide network of clinics that are expanding to serve more communities. They are committed to bringing quality healthcare to everyone, regardless of their location or income.

MRS. J. L. WHITE.
It is right for South Carolina to  
hear the story that they may think and pray about it.

"Reculin" and "Marked Down.

At a recent meeting of the Association. 
Mr. Jackson, in his address, said that the wine business is 
destroying the moral and physical health of the residents. 
Many men and women are becoming dependent on alcohol. 

Some say: "Manufacturers of all kinds are turning out goods to meet the growing demand."

Others say: "The people need something to relieve their boredom and stress.

The sea is full of bitterness.

"Millinery, dresses, clothing of all kinds, will be on sale."

"Yes, would come to the revival on the second night."

She was so intoxicated that she lies like a drunkard. A disgrace and crime.

"They manufacture rum, but that doesn't change the fact that they sell liquor to her sons that they may spend their income on alcohol."

"Did you notice that child? He was once a Christian, and a class leader in Sunday School."

"At another house a broken-down, "red light" house was found."

"Reduced to a life of blessed hope to one of everything that is bad.

"From a life of sweetness to one of ruination and ruin, and put on a large scale."

"From everything that is good to one of money to the saloon-keeper, among others."
