**Get Rid of Tan, Sunburn & Freckles with HAGANS Magnolia Balm.**

Act Internally. Stops the Soreness & Sunburning. You cannot know how it is with a well known blacksmith of Chester, N. C., standing room, while possibly 99.99 a.m., and that town was the only one good in the township.

**SUBSCRIBE TO The News**

You cannot afford to do without a newspaper in times like this, when there is much you want to know. We give you the most important news of the war and other current events, and keep you well informed on what is happening in Chester county.

**Advertising**

You don't leave your rig in the middle of the road and go to a fence-post to read a safe bill. Don't you then? Don't expect the other fellow to do it.

You put an ad in this paper; then, regardless of the weather, the fellow you want to reach reads your announcement while seated at his fireside.

If a prospective buyer you'll have him at your sale. One extra boy often pays the entire expense of the ad, and it's a poor ad that won't pull that buyer.

An ad like this paper reaches the people you are after.

TO THE PUBLIC:

On account of the increase in the price of cotton, most companies are compelled to increase their rate for insurance and storage.

In 1917, the rate of insurance for a bale of cotton was $3.60, but for 1918 it has been raised to $4.50. This is due to the increased cost of cotton, which has more than doubled in price.

Beginning Sept. 1st 1917 the undersigned warehouse companies will charge for each bale of cotton stored with thirtyfive (35) for the first month or fraction thereof, and twentyfive (25) cents for each month or fraction thereof thereafter. This charge covers storage and insurance.
