LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year old Kentucky Lady, Who Tells How She Was Afflicted After A Few Days of Rodman-Brown.

Grandmother, Mrs. R. E. Rodman, of this town, says, "My stomach was in a miserable condition as a result of my eating. I couldn't keep my food down except when I was very sick, and I thought it best to have my stomach examined to see what was wrong. Dr. J. H. Saye, the physician, examined my stomach and found that the trouble was caused by an inflammation of the liver. He prescribed a purgative and gave me some medicines, and I began to feel better again. I ate better and slept better, and I began to gain weight. I have been all right ever since and I am quite satisfied with Dr. Saye's treatment."

R. E. Rodman, the patient's husband, says, "My wife has been all right ever since she was treated by Dr. Saye. He is a good doctor and I am satisfied with his treatment."
