**SCOLLECTIONS OF A PRIVATE.**

By L. M. Est. C., 7th Regi.

With the Confederate Courts System in Mind.

"The war is over, and the battles won. The end of the story has been written, and the book of history closed. But the war is not forgotten. It is a part of our history, and it will never be forgotten.

The war was fought for the preservation of the Union, and the Union is preserved. The war was fought for the protection of the rights of the people, and the rights of the people are protected. The war was fought for the establishment of a government, and a government is established.

The war was fought for the vindication of the principles of liberty, and the principles of liberty are vindicated. The war was fought for the enforcement of the laws, and the laws are enforced.

The war was fought for the maintenance of the Constitution, and the Constitution is maintained. The war was fought for the protection of the people, and the people are protected.
