I am planning to have a number of meetings in the County this week, at this time Miss Martha Creighton, the Lancaster County Home Demonstration Agent, will be with me and we will give demonstrations in bread making, light bread, rolls, and biscuits. Everyone is invited to attend these meetings and chair. The schedule for the meetings is as follows:

Armquilla—Monday, September 11; at 3 o'clock, School house.
Cornwell—Tuesday, September 12; at 3 o'clock, School house.
Bascamville—Wednesday, September 13; at 10 o'clock, School house.
Fort Lam—Wednesday, September 13; at 3 o'clock, School house.
Pleasant Grove—Thursday, September 14; at 3 o'clock, Mrs. Jim Reid's.
Wilksburg—Friday, September 15; at 10 o'clock, School house.
Baton Rouge—Friday, September 15; at 3 o'clock, School house.

JO YABBOROUGH,
County Home Demonstration Agent.

THREE YEARS OF SERVICE.

Democracy—Sept. 14—The question of democracy is a concept that has been around for centuries, but it has become more relevant in recent times. The concept of democracy is based on the idea that the people have the power to control their own lives, and that the government should be accountable to them. This is in contrast to systems of government where power is held by a few individuals or groups, often at the expense of the majority. The idea of democracy is not new, but it has been reinvigorated in recent years, especially in the context of the internet and social media, which have made it easier for people to have their voices heard. The concept of democracy is important because it helps to ensure that the government represents the will of the people, and that the rights of all citizens are protected. The idea of democracy is not without its challenges, however, and it is important to work towards ensuring that the principles of democracy are upheld in all aspects of society.
GONE NORTH ON A BIG HUNT FOR BIG BARGAINS

in almost every reasonable line of merchandise. I don’t know it all by heart — a “Goodwill Hunter” can’t. But if you give me the name of the store for the big bargain, I can help you find it. And I can’t do it for nothing. If you give me the name of the store for the big bargain, I can’t help you find it. And I can’t do it for nothing. If you give me the name of the store for the big bargain, I can’t help you find it. And I can’t do it for nothing.

THE LOGICAL ORDER

THE INTERNATIONAL SERIES.

Norin's order is V; the west; i.e., that part of the globe which is relatively the original western quadrant. This is the order of the outside world, which is relatively, in all kinds of human activity, the outside world to the internal position of the United States. There is a great amount of element of plant and animal life which would be superseded by some other order in the outside world, but which is not superseded in the inside world. This is the order of the outside world, which is relatively, in all kinds of human activity, the outside world to the internal position of the United States. There is a great amount of element of plant and animal life which would be superseded by some other order in the outside world, but which is not superseded in the inside world.
