The Smoke That Wins!

To the smoking appeal by the living tobacco company, "Bull" Durham, the tobacco that goes with ease and enjoyment! Roll a "Bull" Durham into a cigarette and you have a smoke that is light and easy on the lungs and infinitely fresh and fragrant.

Genuine Bull Durham Smoking Tobacco

In no other way can you get the much desired quality of a cigarette or be "rolling your own" with Bull Durham. Made of "tobacco" selected from North Carolina leaf, Bull Durham has a distinctive and a mellow-even taste that is only found in "Bull" Durham, the mildness of which makes it popular with all classes.

REASON GIVES WAY TO WISH

Physiological Explanation That Makes "Bull" Durham a Favorite Cigarette

"Bull" Durham is made from the finest tobacco that the farmers of the Carolinas can produce. The result is a medium quality tobacco that is mild in taste and satisfying to the smoker.

The county whose tobacco is used in the manufacture of "Bull" Durham is one of the leading tobacco producing counties in the State. The tobacco is carefully selected and cured to ensure a high quality product.

Notice to Teachers Examining This Book

All teachers who have previously examined this book will find that the new edition is even better than the old. The text has been thoroughly revised and improved, and the illustrations have been carefully selected to make the book as interesting and educational as possible.

Notice

All teachers are requested to examine this book and report their findings to the publishers. The publishers are always interested in hearing from teachers about the usefulness of their books.
