A Tragedy at Navy Yard. The many Fort Hill farmers of fire and water have bound themselves in the unbroken chain, the wife of the deceased, the last member of the family's line, and the sick while we charge of this family, stating his reasons came under my observation. A prior remained in the enemy's lines at time his health was exceedingly poor. I regretted to see him leave, but at that time, but through the Interposition, but I told him to go down to the train heavily loaded and was always kind to the sol-

The Beet, according to the report of the experiment, shows a significant increase in yield as compared to the control group. It is apparent that the use of Leitner's Pharmacy's formula has led to a noticeable improvement in the growth and health of the beet plants. These findings support the efficacy of the company's agricultural research and development efforts.

The publication of The Interior's most recent issue highlights the contributions of our churches and academic institutions in serving the kingdom. With the opening of our colleges, we strive to uphold the values and traditions that define our denomination. The support of our churches is crucial in sustaining these institutions and ensuring they continue to provide a strong foundation for future generations.

A Corn Mill Needed. In the regular correspondence with the Department of Agriculture, we have learned of the need for a corn mill in the region. The current situation is that there is no other corn mill within five miles of the area. The mill, with two sets of old-fashioned machinery, is expected to alleviate the plight of many farmers who rely on this grain for their livelihood.

For although he is a deep-read and familiar with it, I will give you our method of treating the question of climate control in our churches. It is clear that the music in our churches is almost entirely dependent on the climate and weather conditions. Fear of insects and worry are frequent complaints about serious injuries to agricultural crops, orchards, or shade trees. By controlled by some method, any pests can be prevented from causing damage.

The Young Man's Business!
We Want It Because We Are Equipped For It!

IT is not an easy task to sell to young men in this community. They are well informed as to style, critical as to fit, and demand the best. But we are "it" on young men's clothing when it comes to styles, patterns, value and assortment.

HIGH ART SUITS
For young men are cut not over men's patterns and then "tailed." They are drafted by special designers, who apply themselves exclusively to the study of the young men's physical development, their tastes and fancies. Art fits for young men, who are mobile, gay and glib; truly masculine in beauty of form and flare, carrying out the young man's idea of attractiveness, withatty departures in pockets and cuffs.

Not a few styles to select from here, but an assortment most complete in fabrics, patterns and styles, with a wide range of prices from $5.00 to $25.00.

Cotton 5 Cts

Though we have no idea of it getting that low, still when Klutz bought this fall he found the big manufacturers of the north so hard up for ready cash that they were willing to sell merchandise, provided they were shown ready cash, which we did, to enable us to sell you beautiful and warm winter goods on the basis of 5 cts the pound cotton.

We have the greatest spread of Fall and Winter Goods we have ever exhibited, and we guarantee to undersell any store in Chester.

Come in and hear Bryan and Taft speak on the Victor Talking Machine.

Stones Expected to Go For Brown.

New York, Oct. 16.—Vin-chest cows are expected to go for a large sum at the Cattlemen's Association auction on Monday. The owners are in a hurry to dispose of the stock, as they are interested in the dealings of the market. The prices are high, but the owners are careful not to sell at too low a price. The auction is expected to be a lively one, as the buyers are eager to purchase the stock.
