THE LUXURIOUS CHANDLER SEDAN

Appeals To Your Good Taste

Not only to your good taste in judgment of beautiful body design, fine finish and nicety of detail, but to your good taste in judgment of motor cars as motor cars.

You would fail to ask for better up-to-date or greater comfort than is provided in this handsome Fisher-built Chandler Sedan. And you could not find in any car a greater mechanical efficiency that is embodied in the chassis.

It is hardly necessary that we should elaborate upon this mechanical superiority of the Chandler Six chassis, distinguished for more than four years past by its marvelous motor, but we would emphasize the importance of choosing your closed car as carefully from the viewpoint as you would choose an open car.

Nearly forty thousand Chandler owners have proven the superiority of Chandler power, Chandler reliability, Chandler endurance and Chandler economy.

The Chandler Sedan in this twenty car, for service in all seasons. All the windows have the larger and the window posts are removable. The body is, regardless and substantial to build. In every detail of its appointments it will please you.
