The Young Man's Business
We Want It Because We Are Equipped For It!

It is not an easy task to sell to young men in this community. They are well informed as to style, critical as to fit, and demand the best. But we are "on" young men's clothing when it comes to styles, patterns, value and assortment!

HIGH ART SUITS
for young men are not cut over men's patterns and then "scaled." They are drafted by special draftsmen, who apply themselves exclusively to the study of the young man's physical development, his tastes and finances. High Art Suits for young men are full of spice and vigor, truly masculine in beauty of form and line, carrying out the young man's idea of athleticism, with slyly departures in pockets and collars.

Not a few styles to select from here, but an assortment most complete in fabrics, patterns and styles, with a wide range of prices from $500 to $2500.
