Every woman is thinking of her new fall suit

To be well dressed is to be ready early with the new style.

At every moment this woman is eager to step out of her summer apparel and put on the latest coat and garment of autumn.

The charming new collections of Wooltex, now showing in the Carmel, Madam, and Harkness department stores, provide a most gratifying selection in garments that are authoritative in style, beautiful in fabric and supremely tailored. Best of all, considering the quality of materials and tailoredness, they are really moderate in price.

All Wooltex garments are guaranteed to sell. We shall be glad to have you view the new suits and give entirely satisfactory wear.
