Edward's Black-Draught

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Wood, of Clinton, N. Y. "It certainly has no equal for gripes, bad colic, liver and stomach troubles. I finally believed Black-Draught saved my little girl's life. When she had the sickness it went on for two, but side goods done of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without Thedford's Black-Draught."
