BUY LIBERTY BONDS

THE BUILDING AND LOAN ASSOCIATIONS OF CHESTER are anxious for Chester county to make a free and full response to the Government's appeal, and to enable some to buy a bond who may not otherwise be able to do so, offer to lend the money at 6 per cent. Subscribe for a share of Building and Loan stock in any one of the three Associations, put up the Liberty bond as collateral, and when the loan is paid you will have a Liberty bond clear. You will thus be enabled to perform a patriotic duty as well as make a sound and profitable investment.

Up to midnight, September 12th, during a period of 81 months, we sold more tires to tire dealers more United States Tires than we sold to dealers during the entire 12 months of 1916.

This phenomenal sales increase was made notwithstanding our eye-popping sales increases of 1816 over 1915. These record-breaking sales increase of 1917 over 1916 and our record-breaking sales increase of 1916 over 1915 definitely and finally prove three facts:

1. The supremacy of United States Tires.
2. The fact that the vast army of automobile owners who used United States Tires in 1916 are using them in 1917 on the sheer merit of their experience.
3. The fact that another vast army of automobile owners have been won over to the use of United States Tires in 1917, that the entire opposition of one tire over other tires that they have tried.
