CHICAGO GREETS WILSON WITH GREAT OVA TION

Washington, Oct. 23—President Wilson today greeted the Chicagoans with a subdued but hearty ovation. Tomorrow, as a part of the program of the general meeting of the American Legion, the city of Chicago will present a special tribute to the president. It will consist of a display of the uniforms worn by the American soldiers in the World War, and a roll of honor to the fallen warriors. The display will be made in the city park, and will be unveiled by the president. It is expected that the event will be well attended.

THE BIG STORE

We're Showing The Best Line We Ever Had
The Most Attractive—The Best Tailored—The Best-Styled.

Any one who takes ordinarily but a passing interest in "Ready" clothes, and maybe thinks of them as they were ten or twenty years ago, should have a good look at the clothes we're showing now. The difference will astonish you. Clothes making skill has progressed marvelously. Even the near "dive" of today is better than the old time "dive" car. So with Ready Clothes—they've gone ahead tremendously. Look over our new models. Try on a coat or two, size ask one of the men to help you with the "hang," the "jost," the general effect. Observe the perfect "back" and smooth-setting collar—the graceful curves of the naturally shaped shoulders, the "just right" front lapel, button spacing and pockets. We will be glad to show you through.
