**The Beginning Of The End**

**Look For The Yellow Sign.**

The great sale of Cousar Mercantile Co's stock of Dry Goods, Clothing, Shoes and Furnishings for Men, Women and Children is now on. This Challenge Sale positively comes to an end SATURDAY NIGHT, NOV. 10TH.

**Follow The Crowd**

They are and have been making Cousar Mercantile Co's. Store their goal. Why? Because the tremendous rush of the past sale days and the bargains people found, led them to tell neighbors and friends. The rush has been a rush ever since. When people realize they can buy high grade merchandise for prices less than the actual cost of the raw material, then it's the time to buy. The realization is here. The bargains are fast going. Get one. Last Wednesday at the start of our challenge sale hundreds of customers were turned away. Although many extra clerks were on the floor yet they could not be waited upon and were forced to remain outside. Those who could make purchases testify to the fact that never before in Chester's history was such a slaughter of Clothing, Dry Goods, Shoes, Furnishings, Etc. Of course the stock has been diminished and the selection is not what it was, yet from so large an original stock there are thousands of bargains to be had that are just what you need and at a price that is simply like giving them away.

**Bear In Mind**—This is not shoddy stuff, but a line of Merchandise that was carefully bought and selected by intelligent buyers.

**Come! Before It Is Too Late.**

Positively no Postponement. Sale Closes Saturday, November the 10th

This Sale is Conducted for The Cousar Mercantile Company by L. KIRSTEIN & COMPANY, from Portsmouth, Va.

**Below We Quote The Prices As Long As They Last. Read The List Carefully**

Owing to the reputation of The Cousar Mercantile Company, as merchants of high-grade dependable merchandise, these prices are represented and not in any way exaggerated in this advertisement. In order to prove to you the tremendous sacrifice at this great selling, we quote in this advertisement a few of the thousands of bargains offered, in consequence of a backward season we find our stock too large, and with new goods coming in we find ourselves short of room, hence we are compelled at this season of the year, when other merchants are executing the highest prices for their goods, to throw upon the market our entire stock at this challenge sale, which will positively close Saturday, Nov. 10th.

Remember, No Postponement. Satisfaction Guaranteed or Money Refunded.

WOMAN

"WOMAN" is the name of a new magazine for women.

The first number is just issued. Your newsdealer has it. You can get it from him, and it is worth your while getting.

There is nothing startling about this magazine. There should be nothing startling about a decent discussion for women and the home. But this particular magazine is unique, and you might not like it a little bit, and then, again, it might hit your fancy good and hard.

If you like drama, if you're a wide-awake, quick-thinking, both serious and short stories—you will like "WOMAN." In fact, fiction is the big feature of the magazine.

All the other magazines for women are cast on the same model—a little bit of fiction, a few articles, more or less chit-chat, some wise advice, a fashion department and a smattering of general miscellany. "WOMAN" doesn't make any pretense of being anything but a magazine of ideas. It's not a magazine for women and the home. It's a magazine for women and the home, and you might not like it a little bit, and then, again, it might hit your fancy good and hard.

ANNOUNCEMENTS

The price of "WOMAN" is ten cents a copy, and the magazine is a very big one—192 pages.

By the way, two settling good serial stories begin in this first number and it contains a big lot of other good things. You would do well to ask your dealer for it before his supply is exhausted.
