BELGIAN WOMEN WORK UNDER FIRE

Appealing for assistance, Major Raymond T. Bucki, Director of the Belgian Red Cross, declared that the country was throbbing with a vital change for the holiday to a solemnity with which he appealed to the American people to collect small coins as a sacrifice, to exchange them for the next determination, or for icy to relieve the famine that is part of a fearful Coalition. With a quick Co theatre article, it was decided that the demand for small change was insufficient, important—

LIBERTY LOAN TOTALS

Washington, Nov. 2—Indication is that the total subscriptions to the 4 1/2 per cent Liberty Loan will not be available this week. This is the last day on which banks may report subscriptions to Federal Reserve banks, but officials do not expect full reports from several days. In Federal Reserve districts, it is understood that the actual subscriptions have failed by a small amount which the Treasury Department based its predictions on the belief that the $2 billion would be exceeded. There is every indication, however, that the total will approximate five billion, which is two million above the minimum asked for. The basis for the prediction was that copper cents they used to make, it has the Indian on it, the warpath he's prepared to take; you know it by his brown and black. A copper cent, if copper there- with thrift that ne'er relaxes, we'll round 'em up with patient care, and make 'em pay the taxes. With courage that can outlast, and strength that won't diminish, those Injuns now aft the trail, and shall incite to a finish.

HE WANTED THE WORKER

"Tenjpe the wort, doctor!" cried the sick man. The doctor hesitated. "Can you stand it," he asked very gently. "Yes, yes!" exclaimed the sick man, "tear the wound." "Well, you insist," said the doctor in a hushed voice. Your bill will be $897."

LET US HELP YOU

BY

Lending you money on your FARM LANDS
for the purpose of improving same or buying
more land, so as to increase South Carolina’s pro-
duction.

South Carolina’s crops are bringing more mon-
ney into the State than ever before, and the more
land put into cultivation and farmed intelligently,
the more the production; hence, the more money.

If you are contemplating buying or improving, take
the matter up with us IMMEDIATELY, as our officers are all SOUTH
CAROLINIANS, interested in SOUTH CAROLINA, and we
are prepared to give you such PROMPT action that you will
then be in position to arrange definitely in time for next year’s
crops.
