The Chester Wholesale Grocery Company.

They sell goods so cheap; they are continually raising the cotton seed market; they are now building the cotton market; cutting the price on wagons and buggies. This may all be true, but we cannot see how this will hurt our customers or their customers, and we are not running a hospital for wounded merchants.

We will sell bagging and tires cheaper than any one in Chester. We carry almost everything. We want every buyer to investigate these charges and if true, save money on what you buy. We will guarantee everything as represented or money refunded.
