"The Young Man's Business!
We Want It Because We Are Equipped For It!

It is not an easy task to sell to young men in this community. They are well informed as to style, critical as to fit, and demand the best. But we are "hit" on young men's clothing when it comes to styles, patterns, value and assortment!

AFRAID OF A MILLION DOLLARS.

Afraid of a million dollars? Not at all. I've heard it said that "money is the mother of all miseries," and that's true. But I'm not afraid of a million dollars. I'm afraid of what I might do with it.

When you have a million dollars, you have a lot of freedom. You can do almost anything you want. But you also have a lot of responsibility. You have to make sure that your money is working for you, not against you.

That's why I'm afraid of a million dollars. I'm afraid of what I might do with it. I'm afraid of how it might change me. I'm afraid of losing my sense of purpose, my sense of self. I'm afraid of becoming a slave to my own desires.

But I'm not afraid of a million dollars. I'm afraid of what I might do with it. I'm afraid of the power that it gives me. I'm afraid of what I might become.

And that's why I'm afraid of a million dollars.
