You Need a Tonic

There are few in many circles who do not find it useful to keep a bottle of soda water on hand. A bottle of soda water is a tonic, not only for the stomach, but also for the spirit. It is refreshing and invigorating, and it has the added advantage of being a beverage that is easy to make at home. In this way you can be sure that you are getting fresh, pure water, and you can be sure that you are not getting any harmful substances that may be present in bottled water.

The Great American Smoke

Fall in line with the red-blooded American and smoke the cigarette tobacco that has been an American institution for generations—"Bull" Durham. The snappy, relishing, reliable and gay tobacco that has put the national spirit of good-fellowship into our hand-rolled cigarettes.

GENUINE "BULL" DURHAM SMOKING TOBACCO

Made of the choicest, oldest and finest tobacco, Bull Durham has a delicate, mild smoke flavor and is in another class altogether. And its aromatic fragrance is supremely delightful.

"Bull" Durham is the freshest, soundest,smallest smoke.

FORGET YOUR ACHES

Bull Durham, taking its name from Bull Durham Tobacco, and being the oldest and most popular of the American Tobacco Company's lines of cigarettes, has long been a favorite with the American public. It is a truly American cigarette and has been manufactured by the same family for over 100 years. Its name is derived from the city of Durham, North Carolina, where it was first made.
