Description of series and its contents:

This series consists of the official minutes of the Academic Council. Generally, the Academic Council is responsible for “all matters pertaining to the undergraduate curriculum, instruction and academic policies of the College” (see college by-laws). The supplemental information pertinent to the policies formulated by the Academic Council can be found in the subsidiary records of the Academic Council (series 2). It is customary for council reports and recommendations to be read into the faculty minutes. The records are in general chronological order.
