**OVERSTOCKED AND MUST REDUCE!**

A considerable portion of our fall and winter stock was bought away back in the spring when crop prospects were bright, and the consequence is with only a half crop made we find ourselves with too many goods on hand. To convert this stock back into cash is our purpose, and to do it we are sacrificing profit. All absolutely new recognizable merchandise at greatly reduced prices.

It Always Helps

Use Mrs. Sylvania Winds, of Clifton Hill, Ky, in the Bathroom Experience with Cottonseed Oil, and you will find that it is truly a blessing. The method is a simple one, requiring no fancy apparatus. Mrs. Winds found the oil effective as a skin softener and hair conditioner, and has been using it successfully for years. The oil contains no harsh chemicals and is gentle on the skin. In addition, it helps to keep the skin hydrated and supple. Try using it today and experience the benefits for yourself.

For genuine relief from colds, try Dr. Ring’s New Discovery. A dose of this combination of antiseptic balsams soothes the irritated membrane, cleans the head, lessens the phlegm, and helps you breathe easier. It’s been a favorite remedy for young and old for many years. At your Drugstore.
