DALLAS, Tex., June 17.—After the
remarkable victory of Texas over Arkansas the
peace during the last war it has been said that
the Southwest is now a battle-ground of the
Federal Government. This is said to be true by
many who have long been in the Southwest and
those who have gone there recently. The local
sentiments of the people are strong and the
people are determined to fight for their
rights. The people of Texas are united in
their purpose to protect their herbage and
their homes if necessary.

Remedy and decided to try
it.

"I noticed a difference after
the first day, and now my
daughter is completely cured.
I am very grateful to Miss
Gladney for her help."

Good Cough Medicine for Children.

"I have been using Miss
Gladney's Remedy to treat
my child's cough. It has
worked wonders for her.
My child is now able to
sleep peacefully without
coughing."

The Secret of Success.

"I believe that the key to
success is hard work. I have
always worked hard from a
young age and this has
paid off for me."
