Robinson Exhibits the Finest and Largest Jewelry Stock in Chester.

No attempt is made to give a list of everything in our Store: if you get an idea of what Robinson is like, the object in view will have been accomplished. The stock is too big, covering a wide scope, to hope that an advertisement could catalogue all things that are being chosen for Holiday Gifts, but it is believed that in a general way some sort of a picture, as it were, can be represented to guide you to the happiest selections in your Christmas buying. Come in and look over this beautiful stock—it imposes no obligation to purchase.

Selling Out!

Will Discontinue Business After December 24th.

Let us once more call attention to our LARGE SALE. It lasts only through this week. Our business has to be wound up by Jan. 1st.

In our first advertisement we stated that our sale would be a record breaker. We meant that our prices would break the record, as that you know is the first thing necessary to make a sale a success.

We have undoubtedly sold lots of goods but this, our last week, we expect to sell more than we have in the last three, because many pretty things we have are such Popular Christmas Presents and our prices are much less than you can buy them anywhere else.

So come and let us supply your Christmas needs, and save you one half of the regular prices.

The dog was returned to its owner, who was very grateful for the return of the pet.

For the benefit of our patrons, please be advised that the sale of Christmas toys will continue for one more day. The toys are available at the store located at 123 Main Street.

OTHER CHANCE!

Yes, the ice kept you at home, lots of you, for three days, and it would not be treating you right not to give you another chance. By keeping you at home your goods were left, so we are going to continue this sale for Ten Days Longer.

And lots of Suits and Shoes and Overcoats and in fact several odds and ends of every line will be out again and are going for still less—lots that are broken up in sizes, you know.

Most positively this sale will not be continued. Any — More

We are bound to have the money out of this stock now, as the partners of this firm will make a final settlement on January 1st, 1906.

Come at once, you get them for half price.
