Rhiannon Bode | Graphic Designer

Rhiannon is a graphic designer, illustrator and nature enthusiast whose interests are as lofty as her vivacious, curly hair. As a designer, Rhiannon is constantly drawing inspiration from the world and people around her. Four years of study have taught her that she never wants to stop growing and striving to learn more to enhance her skills. She is excited to graduate this spring with a BFA in Graphic Design and set foot into the real world. When she is not behind a computer screen designing, Rhiannon can be found kayaking the coastal waterways, throwing pots, or lounging in a hammock getting inspiration for new meals to cook from her vegetarian cookbook. She is thankful to have been able to work and collaborate with such amazing editors to design this year’s Anthology.
