MAYDAY CUSTOMS AND TRADITIONS

May 1st Day Celebration at Winthrop This Year—Distinctively

Many customs and traditions are observed in the celebration of May Day throughout the world. In North America, it is a time for honoring nature and spring. In Europe, it is a day for honoring workers and labor. In Japan, it is a day for celebrating cherry blossoms. In some countries, it is a day for recognizing the contributions of women. At Winthrop College, the May Day celebration is a unique and special event for the students.

May Day at Winthrop
For the first time in the history of the college, the May Day exercises were observed.

The American custom, but

Unable to endure the sight of these festivities for long, the Puritans marched in a body, burned the May-poles and ran the young women and the young men who were making flowers and gay ribbons. In England in the last Century,

The leading feature of the sports was the track meet, for which many of the students of Winthrop Training School and its affiliated institutions had long been preparing. The program included a number of races, relays, and games, as well as a variety of gymnastic exercises. The students worked very hard in preparation for this event, and the results were pleasing.

Some of the events included:

- The 100-yard dash, won by a student from the Freshmen class
- The 400-yard relay, won by the Sophomore class
- The hurdles race, won by a student from the Junior class
- The high jump, won by a student from the Senior class

The track meet was a great success, and everyone enjoyed the day.

SWEET SCENTED FLOWERS

May Day is one of the oldest and most beloved traditions in many cultures, celebrated as a time of renewal and the arrival of spring. In ancient times, it was believed that May Day had the power to heal and bring good fortune. Today, May Day is still celebrated in many parts of the world, often with parades, festivals, and other festivities.

At Winthrop, the custom of crowning the May Queen began many years ago. It was a time of great excitement and anticipation, as the students prepared for the emptying of the wells by setting out flowers and decorating the school with garlands and ribbons.

The May Queen, chosen by the students, would lead the festivities and represent the spirit of the season. The tradition has continued to this day, with students from all classes participating in the selection of the May Queen and the festivities that follow.

SUNBURN HOSIERY IS THE RAGE

But Beware—Choose Yours From Authentic Lucile Shades in Hoplease Hosiery

There are so many shades of sunburned hosiery, but to be honest, it's not something that I would recommend to anyone. The sunburned shades are often not very flattering, and they can be quite uncomfortable to wear. It's important to choose a pair of hosiery that is comfortable and stylish.
