Winthrop college will present this year one of its best productions (and most expensive to bring to the campus) Artist Concert series, opening on October 25 with the Metropolitan quartet — the same group which gave the initial performance in the college's large auditorium a year and a half ago. Nine numbers composed the series.

The quartet, composed of Katherine Myatt, mezzo, Josephine Archibald, soprano, Igor Gorin, baritone, and Frederick Jagel, tenor, were greatly applauded by a record-breaking crowd as they arrived for their first appearance here at the dedication of the new auditorium in May, 1939. In October, however, Charles Kullman will replace Frederick Jagel, tenor.

Following the quartet at intermission during the season will be a series of entertainments by the San Carlo Opera company: Helen Jepson, Metropolitan soprano; Edward Zwiebel, tenor; Hughes, baritone; and Littlefield Ballet company, Lawrence Myatt, Metropolitan baritone; and a play to be selected. Justice Chosen by Club

Mrs. Walter B. Roberts is a just-arrived new faculty member of the Kansas State Teachers College. Mrs. Roberts is a just-arrived new faculty member of the Kansas State Teachers College. She has been appointed to the music department of the Kansas State Teachers College. She has been appointed to the music department of the Kansas State Teachers College.

The Navy band will present an afternoon and an evening performance at the college on Friday, November 9. The repertoire of the fifty-three-piece band includes a number of marches and operatic and symphonic numbers as well as pop music of north. The Navy Band may be heard at regular intervals over the networks of both the Columbia and National Broadcasting companies. Albert Spalding, famous violinist, will appear in concert on Monday, November 26. Mr. Spalding, hailed in New York, Florence, and Paris, has played in all the principal halls of the United States and Europe. His musical career has been interrupted only during the first World War when he served as music officer in the aviation corps. In addition to his ability as violinist, Mr. Spalding has composed much music for the violin.

The San Carlo Opera company will present two operas at the college sometime in January. The English opera "Martin," will be presented as a matinee, and "Rigoletto," as the evening performance. Singing the leading roles will be such stars as Colette, Arnell Lind, and Loelac. The San Carlo Opera company, considered to be one of the finest traveling opera organizations in America, is under the direction of Fortune Gellio, and features such as the San Carlo Ballet and the San Carlo Opera orchestra. Carl Perelli is the famous musical director and conductor of the group.

Winthrop Football Team

On Friday evening, February 14, Helen Patterson will make her official appearance on a Winthrop Artistic Course series. She is a well-known artist, and has been in demand in concert here two years past, with her beautiful voice and charming personality completely capturing her large and enthusiastic audience. She was assured for her an even larger reception.

Winthrop has furnished parlamentarian as the school's finest auditorium since it was built four years ago.

Mr. and Mrs. Warren G. Keith who will accompany the group, were selected to go to the assembly. Mr. and Mrs. Keith will be in charge of the student body and attend the assembly.

Ms. Maudlin-Adams of the University of Alabama spoke at the first regular meeting. Mary Keaton and Margaret Dukes held discussions on "Being a Homemaker" and "Understanding One's Husband". For benefit of maidens culinary-minded but bookish, "The Johnsonian" will present each week a "penny-pinchers" recipe, to be contributed as a favor of a "penny-pinchers" circle to those who like eating together come in. A cooking scrapbook with our penny-pinchers points in.

Mrs. Hampton Jarrett, to whom credit goes for the idea, comes forward this week with a recipe contributed as a favorite of a faculty wife. JOURNALISM
Students in journalism classes will be the judges of the fourth annual series of journalism contests sponsored by the Columbia Student State and Ray A. Furr, director of journalism at Winthrop.

The contests, which will be run monthly for a number of months, are to be held by the Student Press Association of Winthrop.

The winning story in each contest will be chosen by the Student Press Association of Winthrop.

The points will be given to the member of the Student Press Association of Winthrop with the largest number of points at the end of the year. Prizes will be given in all.

SPORTS ACTIVITIES

Looking Up

With the coming of fall the Athletic association began activity with the organization of sports clubs. All members of the Athletic association, that is all Winthrop students, are eligible for membership and participation in these clubs.

Fall activity clubs include tennis, squash, tennis, archery, sports clubs, modern dance, recreational sports such as bowling, horse show, fishing, and track.

The tennis club is conducting a league tournament; hockey practices three times a week; the modern dancers are planning programs for the all-campus presentations they are planning; the archers are practicing for the national championships in April, and took their M.A. degree in the Training School, in Richmond, Va. last year.

St. George Junior
Chosen to Audit

Elizabeth Jordan, junior from St. George, was voted auditing chairman of the Student Government association at the student evaluation Monday. Elizabeth is an honor student, a member of Senior Order. She succeeds Miss Emma Ruth Siler, of Winthrop, in the position of Y. W. C. A. secretary at Winthrop. She replaces Miss Christine Wyatt as secretary.

The Recreation Roundup
Sports and Fun on the Campus

BY CATHERINE BAILEY

Floor's been painted, shining like new. Gym teachers happy, Modern dancers, too.

And from victory of the gym this week comes the awrd of Miss Winthrop's golfers—at it again. With three big glasses she teaches the girls the swing of the club—encourages them with the story of the little fifth-grade training school boy who, quite naturally, played golf; carries his own clubs, shoots a game of 40 or 45—which is a very good score. That's the only way to really learn a sport, believes Miss Lea— to grow up with it—and to play off your matches in the ladder tournament. • • •
