Now That Christmas Draws Near

We’re wishing you a happy Christmas. Never before in our two decades of existence has there been a Christmas more meant for the world.

As Christmas lights appears in the streets and homes of Winthrop today, they will "ring out the tides of great joy." No obstacle will stop the green Christmas lights from shining on Christmas morning in the lands across the sea.

European cities are more brightly lighting buildings and homes in preparation for the coming of Christmas. Those few who are not doing this face a punishment of 100 marks. A fine of 10 marks is also imposed on anyone who does not light their front windows at night.

Our creed: We covenant to love one another as Christ has loved us.

A Forum For Discussion of Campus Occurrences

By MARGARET BIRCH

The group, who met in the Chandlorsville Room of the Administration Building, discussed a variety of topics. One of the main topics of discussion was the effect of the war on the campus. The group agreed that the war had a significant impact on the campus, both in terms of enrollment and in terms of the way the administration handled the situation. They also discussed the role of the Young Democrats in the war effort, and the ways in which the club was working to support the war effort.

Spanish a ‘Coming Language’ Thinks Dr. Bussell

By Doris Maille

Thinks New Relationship With Other Americans Make It Impressive We Be Able To Talk Their Language.

Should Spanish be taught in the public schools? In view of the increasing number of Americans in North and Latin America, Dr. Helen K. Russell, associate professor in the modern language department and Spanish instructor in government courses, answered: “Yes. Indeed. The United States is beginning to see that the American is no longer an insular being. The time is now ripe to teach Spanish in the public schools, particularly in communities with large numbers of Latin Americans.”

Three More Join F. T. A. This Week

Three new members were initiated at the Tuesday night meeting of the South Carolina chapter of the American Association of University Women.

The names of four of Winthrop’s students are new to the roster of F. T. A. members.

Winfrey College

MEMBERS IN 1940

Dr. Elizabeth Harris is in charge of the local chapter of this national organization. The Christmas issue of the bulletin contained this message: “To all who have participated in our work, may Christmas bring peace and joy to your lives and happiness to your homes. May you have the love and friendship of all your friends. May you be satisfied and contented, and may Christmas bring you the best of all that is cherished.”

The musical part of the program included the following:

“The Him of a Thousand Voices” by Mrs. Harry French. The piece was sung by the student members of the choir. The program was presented on the occasion of the first meeting of the F. T. A. chapter of Winfrey College. The students were dressed in their holiday attire.

“Christmas Time—Dream and Advent” by Mrs. Mary Frances Braswell. The piece was sung by the student members of the choir. The program was presented on the occasion of the first meeting of the F. T. A. chapter of Winfrey College. The students were dressed in their holiday attire.

Famous Alabaman Here Monday Night

Frank Thomas, a prize pupil of the late Knute Rockne, now head coach of the University of Alabama, will speak at the annual football banquet of the Rock Hill Junior Chamber of Commerce in the college gymnasium Monday night at 7:30.

Guests for the occasion will include the Winthrop Training School and Rock Hill high school football teams, the South Carolina All-State high school team, and a number of visiting coaches and sports writers from over the Carolinas.

Coach Thomas, said by Harper Gault of the Evening Herald to be the most outstanding sports figure ever to visit Rock Hill, will be introduced by Jake Wade, sports editor of the Charlotte Observer.

While a student at Notre Dame, Coach Thomas played on the famous Rockne team with the Four Horsemen, and with George Gipp, called the greatest football player who ever lived.

After graduation in 1923, he became assistant coach at University of Georgia. From there he went to the University of Chattanooga where he was head coach until, in 1932, he succeeded Wallace Wade, who went to Duke, as head coach at the University of Alabama.

The teams he has coached have made an amazing record. The teams he has coached have won 99 games, lost 17, and tied 6. Twice he has led South Carolina All-State high school teams, and a number of visiting coaches and sports writers from over the Carolinas.

For the biggest booster pulled last weekend is unquestioned by many columnists, who bowed off to Clemson for the weekend only to find that the main attraction there had left the urge to wander and was here for the weekend.

And there was no consolation from Dr. Cooper (our host, editor of the Charlotte Observer).

According to Miss Fugitt 85 girls received credit for a sports season in hockey, meeting a required number of practices for that sport in the season. All girls who make eight first teams and receive credit for 11 sport seasons are given W.A. P. awards. The 1940 varsity included eleven players who had already earned the awards for the team and received credit for the season. This is the first year a full team has been turned over to the Girl's Athletic Association.

Sophomores Place Five on All-College Hockey Team

Five sophomores, four seniors, and two seniors composed the famous Rockie team last weekend with their defeat of Citadel's Bulldogs. And seven of the originals join the waiting line.

Just across the street and almost out of sight, on the busy corner near the hotel, only eight more days till Christmas. But no, we have no objections to being very busy this week—it'll make the time pass much quicker.
